WELCOME TO SURF MANKIND

LIFE AND SURF SHOULD BE FOR FREE ON THE BASIS OF INTEGRITY THIS IS THE UNIVERSAL KEY OF LIFE.

WE BELIEVE

Living and Surfing with Integrity First, Always

This is not a movement, cult nor religion or political party. We represent ourselves to inspire others to do the same, the traditional families of planet Earth — the beloved local life culture of humanity.

We simply lead by example: to inspire ourselves, our children, and our communities. Not to become famous or rich but to inspire others to do the same. Not by force. But by nature. We believe that life and surf can be for free simply by living and surfing with Integrity First Always.

Surf and life is not a commercial sport.

It is life. Discipline. Integrity.

Surf and integrity are the universal keys to human life.

True freedom comes without greed, without competition.

Even reaching elite levels — simply by always being your best self.

We are human nature. Soldiers of Peace.

Warriors of Integrity. Ambassadors of Earth.

We have to protect this planet. Not by force but by nature. Not with politics, religion or rebellion. But with Integrity. This is the 21st century — We all know by now that you cannot change the world without you changing first. To inspire others to do the same. This is the true meaning of life. We believe.

We have to change the world's view on our beautiful planet, our magical oceans and its humble people.

We have to start defending our cultures with the greatest value of mankind. Not money but INTEGRITY.

📍 From Fuerteventura (Canary Islands) to Bali (Indonesia), Teahupo'o (Tahiti), Cloudbreak (Fiji), Gold Coast (Australia), Jeffrey's Bay (South Africa), Nazaré (Portugal), Hossegor (France), Mavericks (California), Puerto Escondido (Mexico) to Pipe Line Hawaii.

join us freely — not through love, but through integrity.

Because love without integrity, history has shown, will only destroy humanity.

We believe in truth, in real values, and in all natural inspirations of life and death.

Reconnect with your moral compass.

Learn from all human locals — humble legends not by fortune or fame. But by simple life and surf.

Rediscover the art of surfing and living the right way.

Not for fame. Not for money.

But for unity, hope, faith, integrity, love and inspiration.

 Let Mother Earth guide you.

Her waves. Her skies. Her energy.

Become a true human — and a true surfer.

Fight not with violence — but with Integrity First, Always.

Lead not with illusion — but with truth and example.

 This is how we save the world.

Not with systems. Not with politics. Not with religion.

But with YOU.

You and your integrity. First. Always.

 Wake up. Inspire others.

Walk The Long Way to Integrity.

Learn to create it, live it, share it, and discipline it.

But most of all — inspire others to do the same.

This is the true art of life and surf.

This is who we are.

CORE MESSAGES

- Integrity First Always.
- Live and surf with integrity.
- Local Surf Ethics lead to global unity.
- Human evolution begins by leading yourself.
- Respect unites us. Discipline sets us free.
- Integrity — not love — is the universal key to life.

THE LONG ROAD TO INTEGRITY- STEP BY STEP

STEP 1: BELIEVE

Believe you can change.

Believe you can control your mind.

Believe you can live free — not as a slave of greed.

Life is a state of mind.

Freedom is created.

Control your mind.

Control your surf.

Control your life.

Start from within.

STEP 2: CONTROL YOUR GREED

Greed is humanity's greatest enemy.

Money, drugs, alcohol, sex, parties, and now even social media.

Control your greed. Kill your greed.

Or it will kill your freedom, your surf, your life.

Greed is the root of all destruction.

It destroys nations, communities, and souls.

Start today.

Start within.

STEP 3: THE ART OF LIFE & SURF

Live and surf with integrity.

Respect locals first.

Honor history. Respect knowledge. Master technique.

Surf like life is the education — lifetime learning, lifetime discipline.

Local life is the cradle of humanity.

Live the natural human way — humble, strong, and free.

STEP 4: CREATE YOUR HOME

Home is not a country. Home is not a passport.

Home is where your integrity builds.

Create your home anywhere.

Build it with integrity fueled by love, discipline, and respect.

Adapt. Lead. Inspire. Protect.

Home is the place where you live in the right way — the natural way.

STEP 5: DO WHAT IS RIGHT

There is no perfect right or wrong.

There is only what you choose to do — right now.

Justice systems fail.

Societies lie.

Religion divides.

Greed blinds.

Yet integrity always shows the way — and belief, not division, should unite us. All.

STEP 6: LEAD BY EXAMPLE

No one can save you but you.
No one can lead your life but you.

Be a soldier of peace.
A warrior of integrity.
An ambassador of planet Earth.

We walk the Walk of Life —
and it is our duty to embody the right human values at all times.

Don't be afraid to fail. We all do.
What matters is forgiving — yourself and others.

Keep leading — first or last.
Keep inspiring your surroundings and yourself.

Work hard. Surf hard. Live clean. Be truth.

Stay humble. Stay patient.
Stay respectful. Stay disciplined and always
keep inspiring.

STEP 7: TIME TO CHANGE THE HUMAN EVOLUTION

The human system is broken.
Society is lost.
Greed is running wild.

We have to start again.

Not by more politics.
Not by more religions.
Not by more movements.
But by simply living the way of local life.
By returning to the simple law: Integrity First Always.

Surf and live by this law.
Lead others.
Create the new human evolution. Not revolution.

But Re-Evolution:
Integrity — The Universal Key to Life.

STEP 8: BE A PHILANTHROPIST

A philanthropist is not a billionaire.
A philanthropist is any soul who gives time, skill, care, or heart to heal the world.

Everyone can be one.
Everyone should be one.

Lead by example.
On your beach.
In your community.
In your own heart.

True wealth is time, humility, respect, dignity, and integrity.

PHILOSOPHY AND VALUES

Integrity is the universal key to life. Not love.

Local life is the true human lineage.

We surf with gratitude.

We live with respect.

We lead with courage.

Unity through Respect.

Freedom through Discipline. Not by force but by nature.

Surf free. Live free. But always with honor.

Integrity First Always. Not love.

We believe.

The Universal Key to Life is Integrity — God's Integrity. Integrity with Love.

Integrity Heals. Greed Destroys. Love without Integrity Destroys.

Love is simply meant to be — to fuel your Integrity. This is the key to life.

The Integrity of the Creator — beyond any religion, system, or belief.

It is the universal law that connects all life.

We honor it by living, surfing, and leading with Integrity First Always.

 Final Words:

To inspire others is the true meaning of life.

The price of freedom — is to live with integrity.

This is not a movement.

This is the restart of human history.

Not by force, but by nature.
